

Garden Wedding CELEBRATION PACKAGE

Imagine celebrating your special day Alfresco in our beautiful gardens with lake surrounded by hundreds on acres on lush green forest.

Your ceremony will be held by our lake – the most idyllic and romantic backdrop for your special day. After the ceremony your guests will enjoy drinks, with the newly weds, on our beautiful lawns with plenty of time for those ever-important photographs. Next, invite your guests to be seated for a delicious wedding breakfast in our new garden marquee or indoors in our spacious Lyne Stephens suite.

After the meal, it's time to continue your celebrations outside in our beautiful gardens with manicured lawns and mature shrubs and trees. Our open sided marquee is spacious for safe social distancing and you will have your own well stocked bar.

Your choice of freshly prepared evening food for your guests will be served in our marquee.
